vivid illustrations have constantly kept the interested students on the edge of their seats. Besides being stamped as one of the top secondary school English teachers to be found, he has also proved his administrative ability. He was our acting Headmaster during Dr. Gaebelein's absence. In deepest appreciation of all that he has done for the class of '53 and the Stony Brook School, we dedicate this, the 1953 RES GESTAE to Mr. Pierson Curtis.

FOREWORD

In the pages of this book we have given a picture of a school year at Stony Brook. After reading it we hope that you will have a better understanding of our sincere Christian life, our sound educational system, and our energetic athletic program. Each phase is depicted truthfully, and we trust that you will receive from it an impression of the love and respect which we have for our dear Alma Mater. Our campus life is portrayed as a theatrical production—the directors being our faculty, the leading men our seniors, the supporting cast our underclassmen, and the stage itself our fair campus. Here then is the thirty-first edition of the *Res Gestae*.

OFFICE OF THE

dear seniors:

It is not easy to give you on a single page a message worthy of your remembrance. As I have considered this task, I have been humbled by the difficulty of offering you, simply out of my own thought, advice that will be of lasting help to you. But I do not have to do this, because the Book upon which your Stony Brook education is based has something to say for this as for every occasion.

My message to you comes, therefore, straight from the Bible. It consists of these four words from St. Mark's Gospel: "Have faith in God." Your training here has taught you the essential facts about Him who spoke these words. You know that He was God manifest in the flesh. You know that as your Saviour He has reconciled you to His Father.

"Have faith in God." Wherever you may be and whatever you may do, you will never be in a situation in which it will be unhelpful to do just what these four words tell you. If you are doing right, they will be for you a tower of strength; if you should be doing wrong, they will rebuke you and call you back to righteousness. In college or in later life, in sickness or in health, in joy or in sorrow, in success or in failure, in peace or in war, they are always applicable.

"Have faith in God." Well, do you? I hope with all my heart that you do and that the practice of these four words will be your life principle. For only thus will you be building upon the Rock.

Faithfully yours,

Frank E. Gaebelein

To the Class of 1953:

Everyone wants a lifework that in the long run will make him happiest. For this it must be worth doing, and it must pay off.

Choose a job where you can respect your work because you know that you are helping to make something worth while — good roads, good shoes, healthy bodies, good citizens. No salary can repay you for making junk.

And your job should pay off — pay off in the real pleasure and interest which result <u>while</u> you are working. Don't sell these for cash to buy spare-time pleasure. Live while you work, not just afterward.

We are made in the image of God — and we cannot be happy unless like Him we look upon our work each day of creation and find it good.

I wish each one of you that happiness.

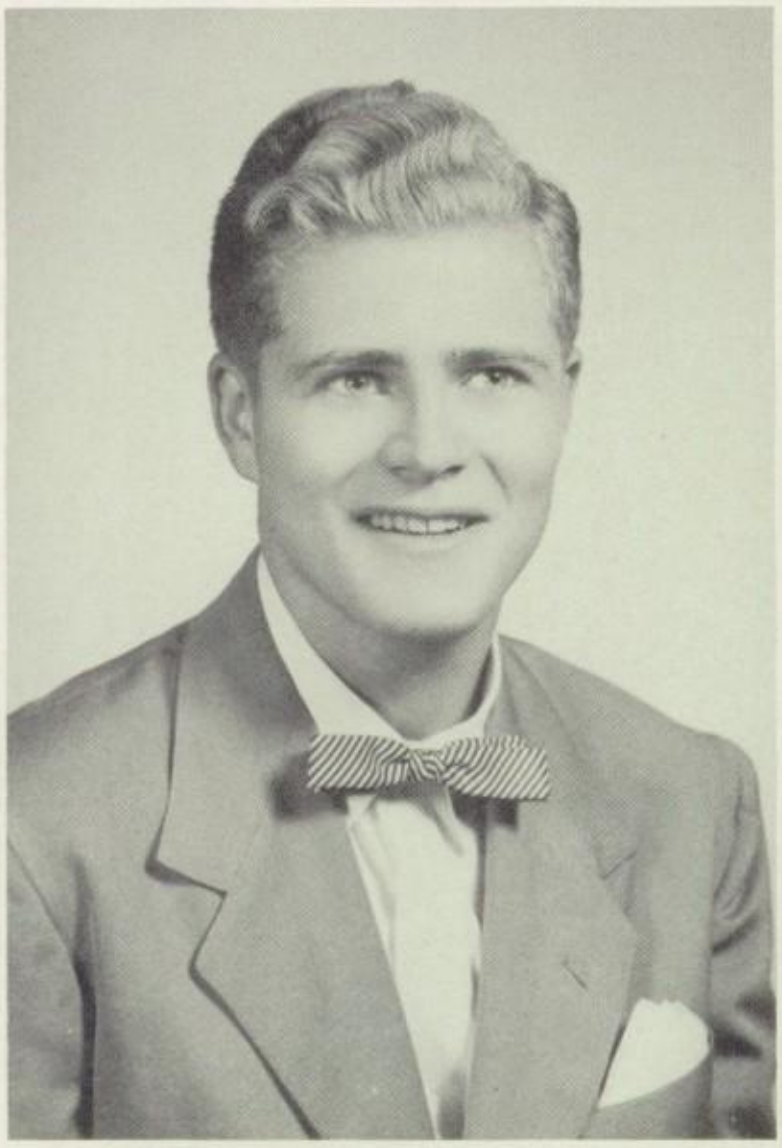
KENNETH M. ANDERSON

"Andy"

J.V. Football 5; Wrestling 6; Tennis 5,6; Photography Club 6; Art Class 5,6.

APPEARANCE: Electrified porcupine
LIKES: Art
DISLIKES: Getting up in A.M.
PASTIME Manual labor (drawing)
AMBITION: Commercial artist
FAVORITE EXPRESSION: "I don't know"

Ken, another dormitory live wire, was often involved in man-production crimes; being a buddy of Russ Wardell, he could not avoid these dangerous undertakings. His interests by no means terminated here as he has a useful hobby of producing clearly sketched caricatures. His pet peeve was undoubtedly rising each morning; he clearly proved this by his occasional lateness to breakfast. His hearty laughter resounding through the halls has lighted the spirits of many fellow students one time or another.



ROY A. BIRKENLUND

"Roy"

Cross Country 5,6; Tennis 5,6; Tract Club 5,6; Choir 6.

APPEARANCE: Toni twin
LIKES: To read his Bible
DISLIKES: Worldly entertainment
PASTIME: Plane geometry
AMBITION: A Bible institute
FAVORITE EXPRESSION: "But, Sir!"

Roy, having been a member of our class since the eighth grade with the exception of his sophomore year, has established himself as a zealous Christian who "practices what he preaches." As a member of the Tract Club, Deputation Team, and Christian Association, he has wholeheartedly contributed to the spiritual growth of the school. Since he is a resident of Brooklyn, he has loyally supported the Dodgers; and in spite of their eventual defeats, he enthusiastically utters the oft repeated adage, "wait until next year."

CLARENCE A. BLACK

"Skip"

J.V. Football 4; Cross Country 5; Biology Club 4; Airplane Club 4.

APPEARANCE: Railroad engineer
LIKES: To be a defective detective
DISLIKES: Potentialities of the East
PASTIME: Dabbling in art
AMBITION: Forest ranger
FAVORITE EXPRESSION: "Yeh, I can imagine."

This fellow with a tranquil appearance, known about the campus as Skip, hails from the far-removed state of Washington. He is a true westerner in that he considers no section of the states comparable to the Occident. He passes time by indulging in anything that has mechanical potentiality, such as model railroads, model airplanes, and automobiles. In this three year period at Stony Brook, he has been a member of several clubs; the model club was the one in which he found most enjoyment.

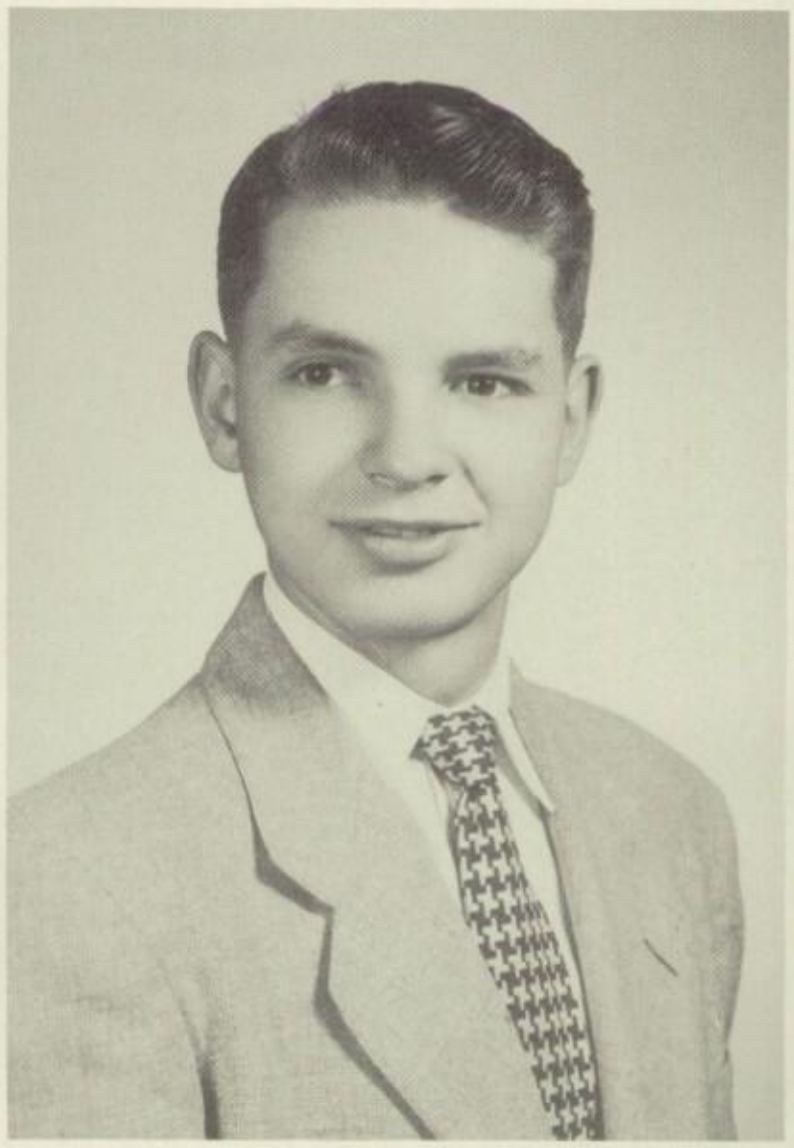
RICHARD L. BRUSH

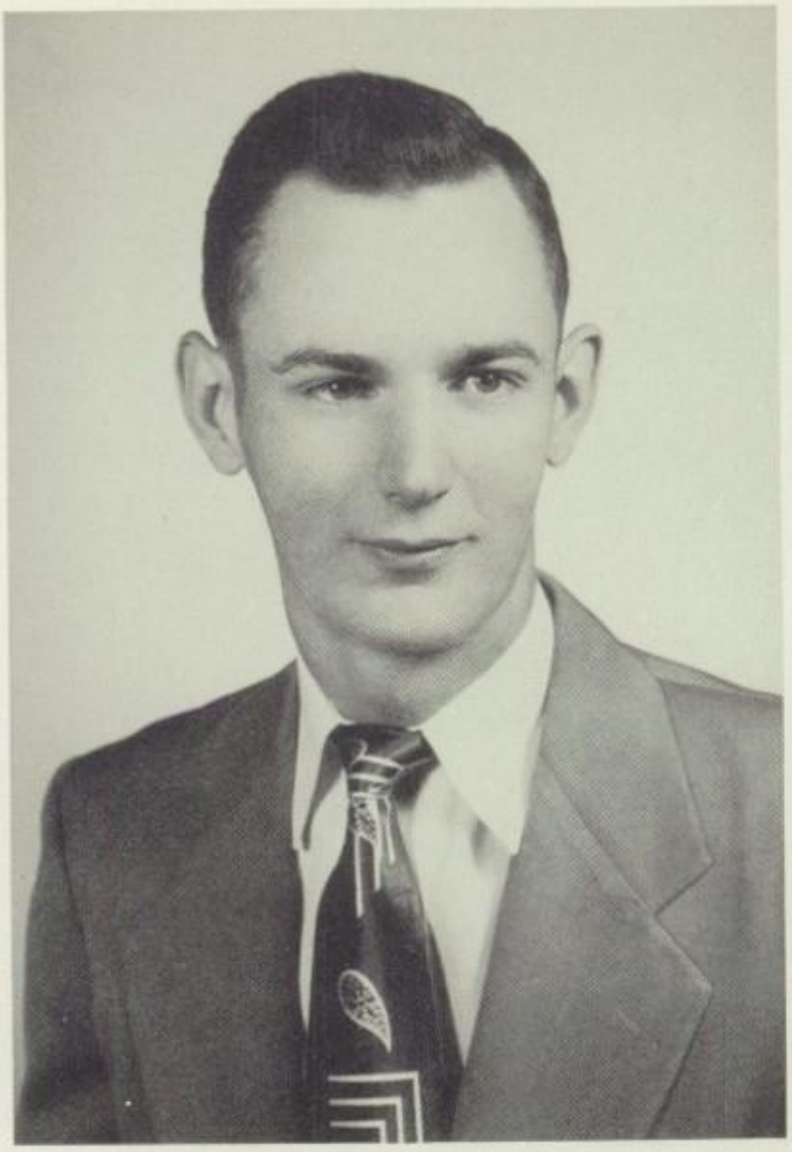
"Dick"

Wrestling 6; Baseball 6; Choir 6; Glee Club 6; Christian Association 6; Tract Club 6.

APPEARANCE: Walnut
LIKES: To be a Casonova
DISLIKES: Solid geometry
PASTIME: Rendering musical selections
AMBITION: Mission field
FAVORITE EXPRESSION: "Where did you ever get the desire?"

This Williamsport, Pennsylvania lad came to us this year as a senior, leaving behind numerous lovelorn maidens. Dick's flooded mail box served as a witness to his romantic history. Being musically inclined, he is a talented trumpet player and accomplished vocalist, which earned him the position of soloist in the choir. Dick goes on deputations to perform with the Trumpet Trio besides witnessing to others. His fine personality and Christian testimony have set him apart as a friendly individual.





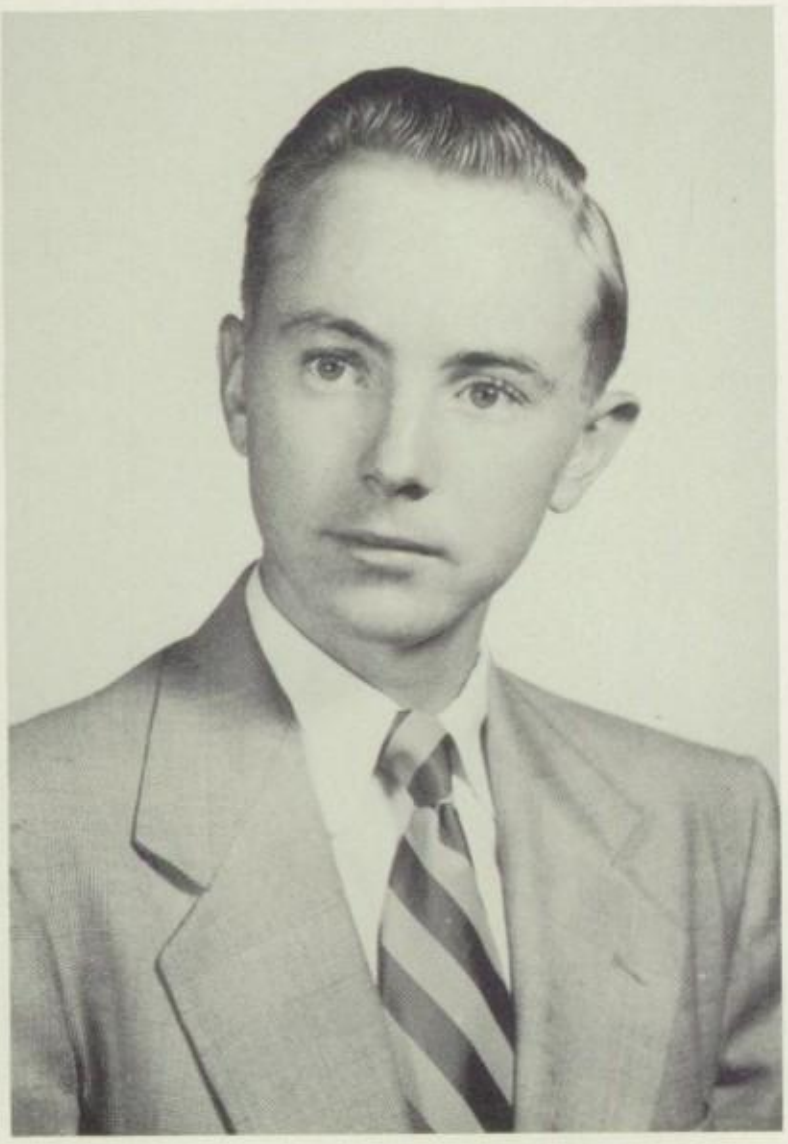
DAVID J. CAMP

"Dave"

Cross Country 5,6; Varsity Basketball 5,6; Track 5,6.

APPEARANCE: Abraham Lincoln
LIKES: Wanda
DISLIKES: Cross Country
PASTIME: Ping pong
AMBITION: To find his sport
FAVORITE EXPRESSION: "C'mon! will ya?"

Hailing from Cortland, New York, Dave likes to brag about all of the upper New York football and basketball teams. Right or wrong about the superiority of these teams, Dave is a "right guy", and he has many friends to testify to that fact. Above all else, Dave has been recognized as a fighter both in athletics and studies, and we realize that with this kind of a background, Dave will achieve the kind of success that counts.



ANDREW L. CARLSON

"Andy"

J.V. Football 4; Cross Country 5,6; Wrestling 5,6; Track 5,6; Class Secretary 4,5; Tract Club 4,5,6; Audio Visual Club 5,6; Christian Association 5,6; Church Board 6; Assistant Editor, RES GESTAE 6.

APPEARANCE: Casper Milquetoast
LIKES: Fresh milk
DISLIKES: Uncooperative workers
PASTIME: Tidying Hegeman
AMBITION: Business Engineering
FAVORITE EXPRESSION: "You see, it's this way."

Andy commenced his career at Stony Brook in his freshman year, and since then he has moved steadily up the stairway of success. For the last two years he has been in the upper bracket of his class scholastically. He made his debut in athletics in his junior year by making the top five on the cross country team. This year he became the Ivy League's second best runner. During these years his Christian character has been shown throughout the school as well as on deputations.

DAVID ALONZO CARTER

"Joe"

Cross Country 3,4; Varsity Football 5,6; Freshman Basketball; J.V. Basketball 4; Varsity Basketball 5,6; Track 3,4,5,6; Rifle Club 3; Model Airplane 4; Choir 4; Audio Visual Club 5,6; Editor, Blue and White 5; Christian Association 5,6; Tract Club 6; Photography Club 6; RES GESTAE 6; Class Secretary 6; Class Vice-President 4; Class President 5; Class Vice-President 6; Vice-President, Student Organization 6; Executive Committee 6; Advisory Committee 6.

APPEARANCE: Preying Mantis
LIKES: Powerhouse candy bars
DISLIKES: Noise
PASTIME: Extra-curricular activities
AMBITION: Wheaton
FAVORITE EXPRESSION: "No kiddin!"

It is difficult to put into words a description of this prodigy from Maine. For some, merely the word "Maine" would be enough to identify "Joe", but for the rest of you, I can say only this. He has found his way into the heart of Stony Brook by hard work. He was our best athlete of 1952 and editor of our school paper. As his college he has chosen Wheaton, and we wish him well in his future Alma Mater.

JOHN N. CROCK

"Big John"

Varsity Football 3,4,5, (Captain) 6; Freshman Basketball; Varsity Basketball 4,5,6; Track 3,4,5,6; Dramatics Club 4,5,6; Proctor 5; Blue and White 5; Christian Association 5,6; Glee Club 5,6; Advisory Council 5; Executive Committee 6; Secretary, Student Organization 6; Editor, RES GESTAE 6.

APPEARANCE: Zombi
LIKES: Mimi
DISLIKES: Being picked on
PASTIME: Exhibiting brute strength
AMBITION: School discus record
FAVORITE EXPRESSION: "Do you give up?"

The possessor of a lanky and solid stature, John matriculated to Stony Brook from Philadelphia as a freshman and immediately reported for varsity football practice where he was received with open arms. His prowess on the gridiron was rewarded as he was the recipient of the Blocking Trophy in his junior year and was chosen our captain this year. During these past four years, John has proved himself not only an athlete, but also a persevering scholar and a real leader in our class.

DONALD WRIGHT FERNS

"Don"

Stamp Club 4,5,6; History Club 5,6; Music Appreciation Class 5,6; Tennis 5,6; Choir 4,5,6; Christian Association 6.

APPEARANCE: Powder puff
LIKES: Classical music
DISLIKES: Athletics
PASTIME: Reporting those who are late to choir practice
AMBITION: Success
FAVORITE EXPRESSION: "I don't care!"

Don's sincere amity has won him many friends during the three years he has attended Stony Brook. His pleasures lie in the quieter and more sober realms of life, so he has been a loyal member of the choir and stamp club over this three-year span. His is a familiar face in the pantry each Sunday, when his generosity with surplus ice-cream is appreciated by his associates. Reliable and capable, Don will without a doubt continue in his unassuming way in later life with ever increasing success.

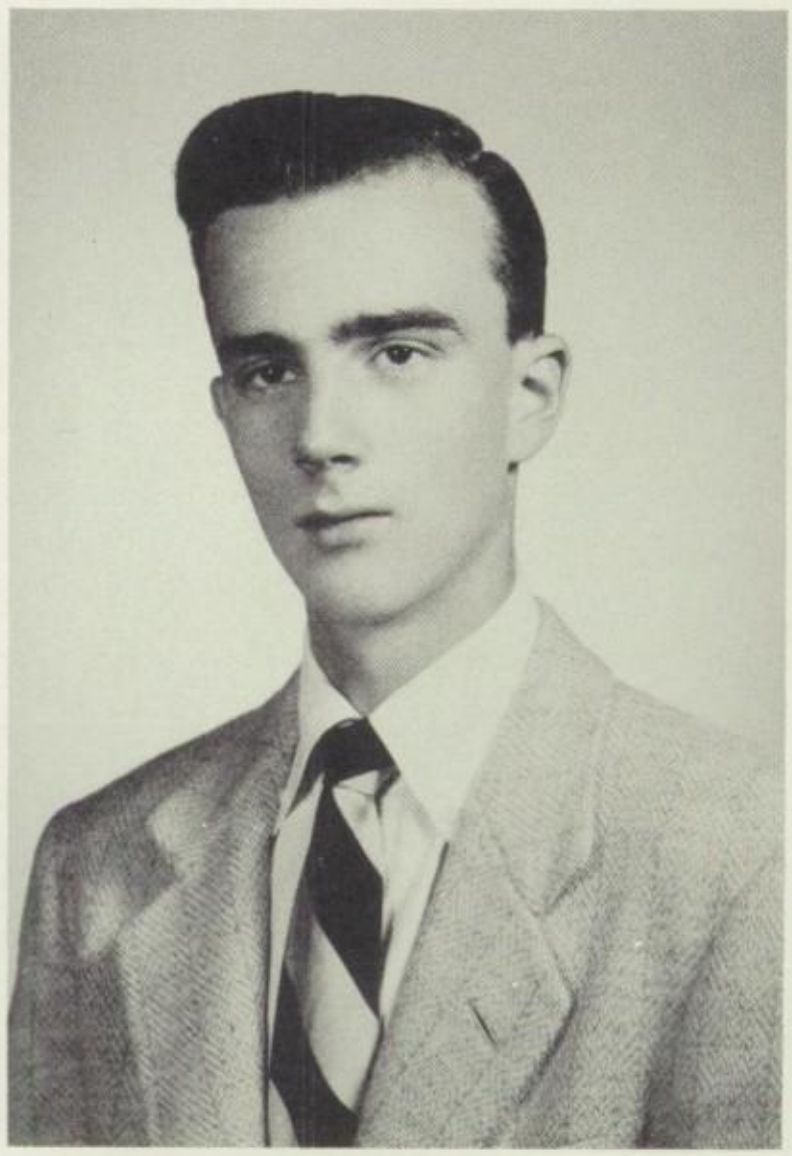
JAMES M. FOSTER

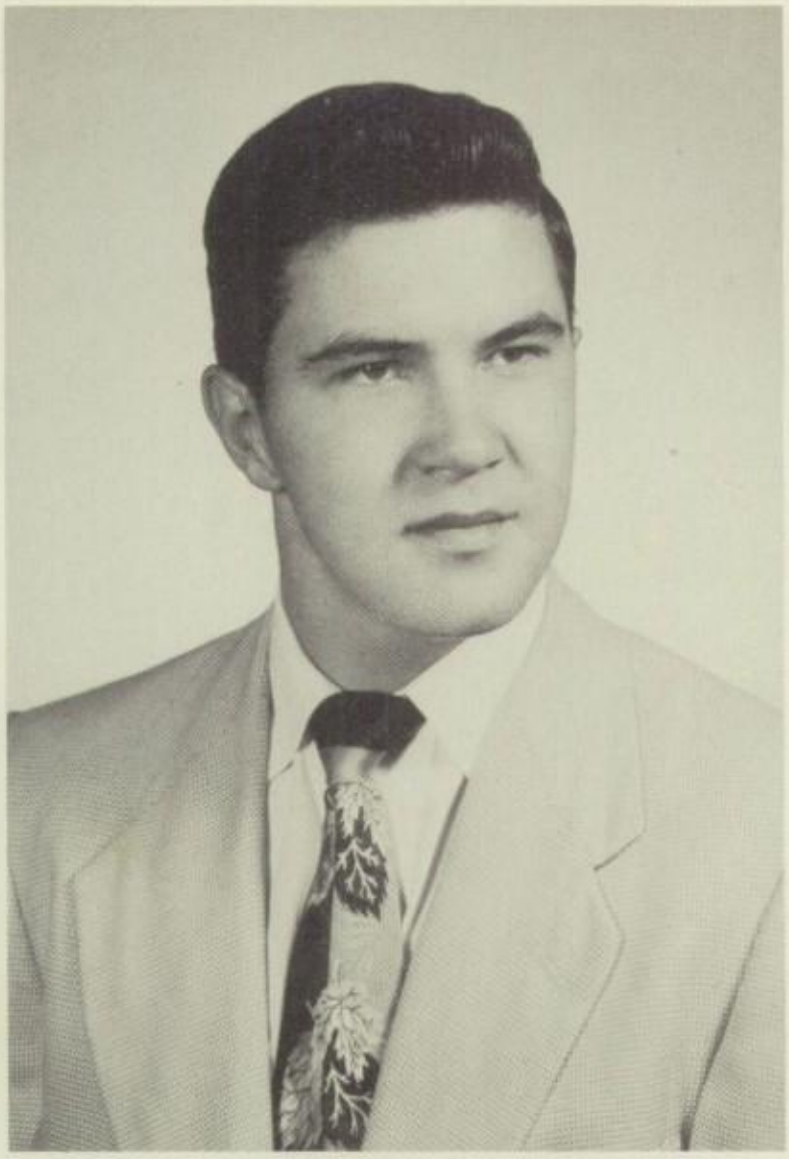
"Jim"

Cross Country 5; Track 5,6; Dramatics Club 6; Glee Club 6; Choir 5,6; Business Manager, Blue and White 5; Business Manager, RES GESTAE 6.

APPEARANCE: The Thin Man
LIKES: Campaigning for money
DISLIKES: Hair on his chest
PASTIME: Religious differences
AMBITION: Bishop
FAVORITE EXPRESSION: "Unhand me, you brute!"

Jim, a veteran of several private schools, came to the Stony Brook campus in his junior year. Being talented in handling money, he immediately became the school paper's business manager. After doing a satisfactory job there, he was elected business manager of the RES GESTAE. In the intellectual department, his name is usually found on the honor roll. When he is slinking around the dormitory, his dry sense of humor keeps all those who are in his presence smiling.





JACK S. GARLING

"Flash"

J.V. Football 5 (Captain); Varsity Football 6; Track 5,6.

APPEARANCE: Toadstool
LIKES: Bakery products
DISLIKES: Class basketball referees
PASTIME: Defending Shippensburg
AMBITION: Horticulture
FAVORITE EXPRESSION: "You bum!"

From Shippensburg, Pennsylvania, the "Shippensburg Flash" arrived in the form of Jack Garling in his junior year. Since then his friendliness and sense of humor have made him a good friend to all. Jack worked hard on the football team, and although his pounds were comparatively few, his intense eagerness in his play enabled him to hold down the middle of the defensive line. This drive carried over into his studies and track where he concentrated on the dashes.

RICHARD K. W. HSU

"Dick"

Photography Club 6; Tennis 6.

APPEARANCE: Laundry man
LIKES: To make loud statements
DISLIKES: Jewish pickels
PASTIME: Spraining his ankles
AMBITION: Technical career
FAVORITE EXPRESSION: "Whadda ya mean?"

From the Orient came Dick, the possessor of a wonderful sense of humor and fine personality; and with the possession of these two admirable traits he easily made friends. Immediately he acquired membership in the photography club, where his extreme interest in snapping pictures proved highly beneficial. His dignified air when carrying out his job as laundry man brought a smile to all at hand. Dick has really demonstated his bent toward mathematics and science with his lofty marks in the same.

BRUCE GREGOR INGLES

"Angles"

J.V. Football 5; Varsity Football 6; J.V. Basketball 5 (Captain); Track 5; Varsity Baseball 6; Choir 5,6; Glee Club 6; Blue and White 5; Christian Association 6; Literary Editor, RES GESTAE 6; Orchestra 6.

APPEARANCE: Cod
LIKES: To sleep in
DISLIKES: Mr. Rosenberger's jokes
PASTIME: Supplying pastimes
AMBITION: Maryville
FAVORITE EXPRESSION: "What do ya say?"

Although several extra-curricular activities have eaten up much of his spare time, Bruce has been another top contender for scholastic honors in the senior class. Besides possessing the raw essentials of a scholar, he has athletic capabilities, having been a member of the football, basketball and track squads. As he is the son of a former Stony Brook teacher, he is rather well-acquainted with the surrounding territory. His rabid interest in chemistry and math has influenced his ambition to become an engineer.

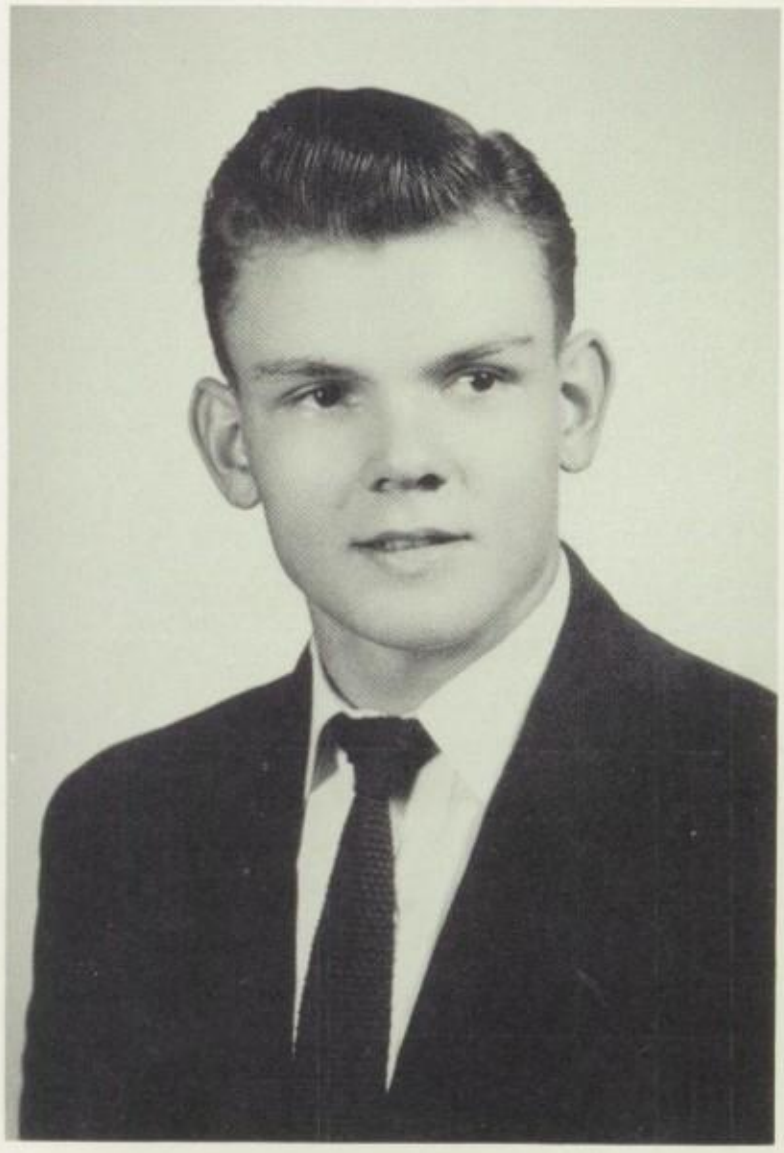
GIRVIN PAUL KEEN

"Girv"

J.V. Football 4; Varsity Football 5,6; Wrestling 5,6; J.V. Baseball 4; Track 5; Golf 6; Class Secretary 6; Circulation Manager, RES GESTAE 6.

APPEARANCE: Joe College
LIKES: Football
DISLIKES: Moose's jokes
PASTIME: Dry humor
AMBITION: His father's footsteps
FAVORITE EXPRESSION: "It's in the book!"

Girv, chosen the boy best adapted to Stony Brook last year, is one of the more quiet fellows in the senior class, but his unruffled exterior does not hide his various talents. Although a member of many clubs, he has constantly merited high grades. Besides being varsity center in football for two years, he was a defensive standout in his senior year. He somehow manages to lose sufficient poundage in the winter to become our top wrestler in the 145-lb. class.



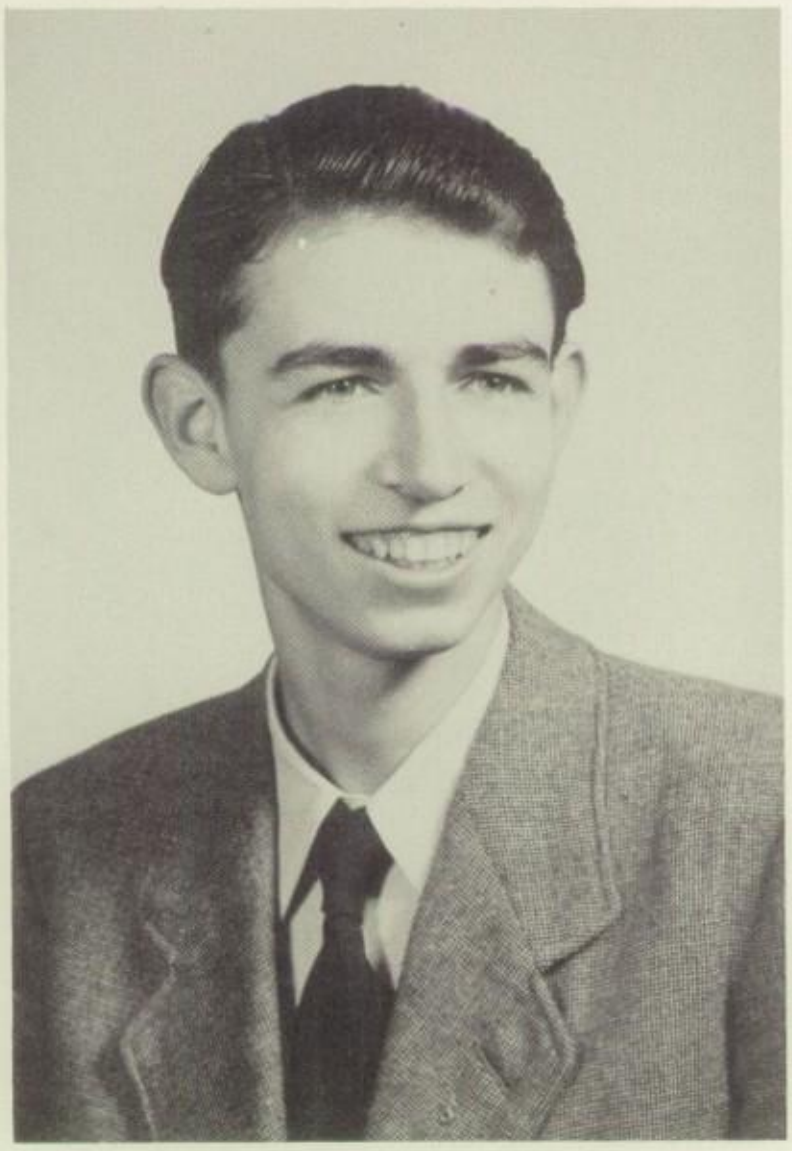
PAUL B. KING

"Paul"

Cross Country 4; Varsity Football 5,6; Wrestling 4, 5,6; Varsity Baseball 4,5,6; Track 5; Audio-Visual Club 6; Photography Club 6; Airplane Club 4; Blue and White 5.

APPEARANCE: Burly
LIKES: Feats of strength
DISLIKES: Everything in general
PASTIME: Lost weekends
AMBITION: Additional wrestling conquests
FAVORITE EXPRESSION: "Let's go now!"

Paul's solid frame, all-around ability, and grim determination have rendered him an invaluable addition to the wrestling squad for three years now. During his senior year he capably held a guard position in football which helped condition him for his pet sport, wrestling. Paul is seldom found about the campus on week-ends, for he usually has plans, which are prompted by his little black book, made well in advance for weekend entertainment.



HEINZ-WOLFGANG KUHN

"Wolfpack"

Cross Country 6; Track 6; Tract Club 6.
APPEARANCE: Cyrano De Bergerac

LIKES: To study
DISLIKES: Jokers
PASTIME: Mental absorption
AMBITION: Education
FAVORITE EXPRESSION: "It's da zame!"

Heinz, our exchange student this year from Bayreuth, Germany, is better known about the campus as "Wolfpack." As he indulges in many activities, he is constantly endeavoring to grasp that ever-sought-for substance—time. He is Precision personified when it comes to his studies, for he has arranged an ingenious method of cataloging his knowledge. When teased about his "zwei Lieben," he merrily replies, "Ah—it's da zame." Heinz has decided to follow in his father's footsteps, to become an ambassador for Christ.

JOHN C. LEE

"John"

Varsity Football 5,6; J.V. Basketball 5; Varsity Basketball 6; J.V. Baseball 5; Varsity Baseball 6; Yearbook Staff 6.

APPEARANCE: Raggedy Ann
LIKES: Coordination
DISLIKES: Warming the bench
PASTIME: Originating slang
AMBITION: New London
FAORITE EXPRESSION: "Break the hold!"

John is another of the class' top-notch comedians and there is never a dull moment when he is tagging along. His favorite hobby is throwing sarcasm at the other states and their inhabitants, but he usually receives the same back about his native state, New Jersey. On the gridiron, basketball court, or baseball diamond, John gives all competitors a hard time. Although burdened with six solid subjects, he is a steady honor-roll contestant.

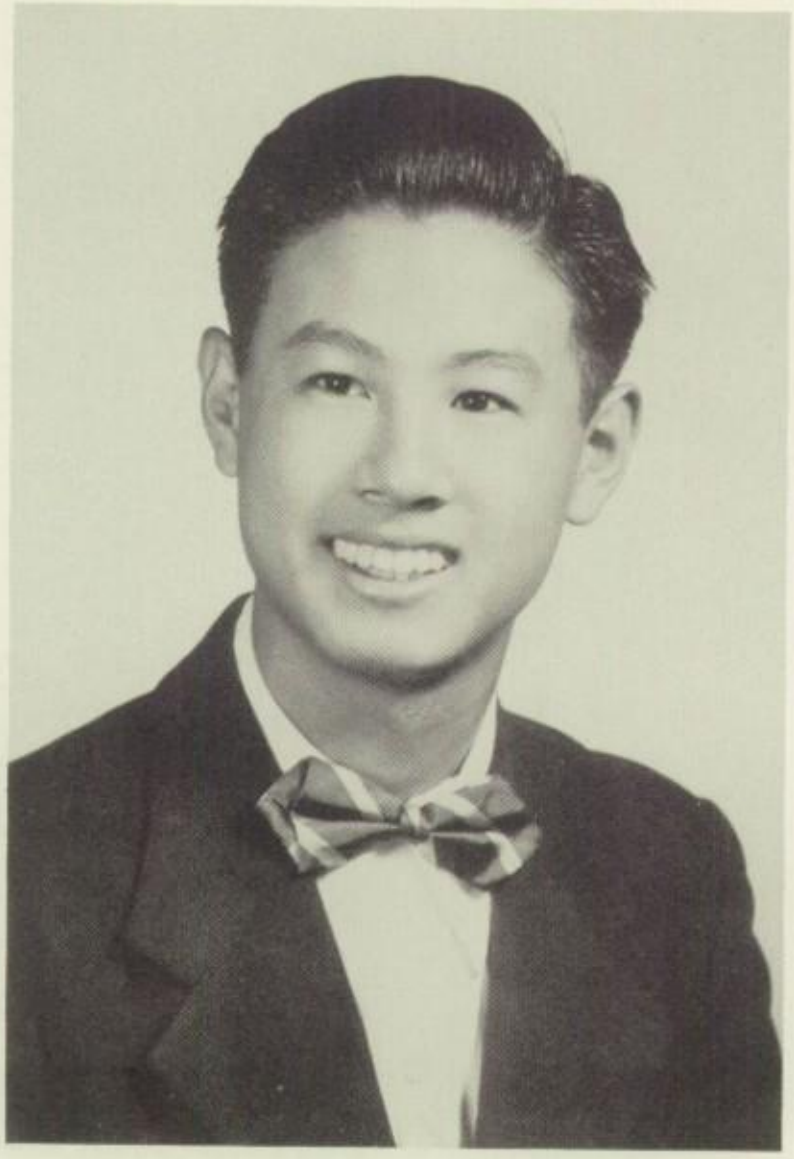
ALEXANDER McLEOD MILLIGAN IV

"Mac"

Cross Country 3,4,5,6; Freshman Basketball 3; Varsity Basketball 4,5,6; Varsity Baseball 4,5,6; Track 3,4,5,6; Dramatics Club 5,6; Blue and White 5; RES GESTAE 6.

APPEARANCE: Chipmunk
LIKES: To be a playboy
DISLIKES: Hopkin's Hall brats
PASTIME: Expressing sarcasm
AMBITION: Chief Justime of the Supreme Court
FAVORITE EXPRESSION: "What a simple jerk!"

Mac, who comes from the coal mines of Pittsburgh, is well known on the campus. His ability to instigate plots against fellow students, and then to talk his way out of the ensuing penalties, goes to show that he will probably be a success as a lawyer, the profession which he has chosen. Besides holding down first base since his sophomore year, he also shines in basketball and track.



GEORGE MOY, JR.

"George"

Middlers 5; Wrestling 5,6; Track 5,6; Tract Club 5,6; Christian Association 5,6; Choir 5,6; Blue and White 5; Art Class 5; Shop Club 4,5; Photography Club 5,6; Audio-Visual Club 6; Chaplain of Student Organization 6.

APPEARANCE: Lady bug
LIKES: Tract club
DISLIKES: Imitation Chinese food
PASTIME: Pondering over Solid
AMBITION: M.I.T.
FAVORITE EXPRESSION: "Now wait a minute!"

From the heart of New York City came another fellow we are proud to have as a member of our class. Taking part in many Christian activities, George has been a real inspiration as a Christian witness. Besides working hard at track in the spring and being an excellent student, he has been the chaplain of the Student Organization this past year. He is planning on an engineering career and we know that God's will is taking place in his life.

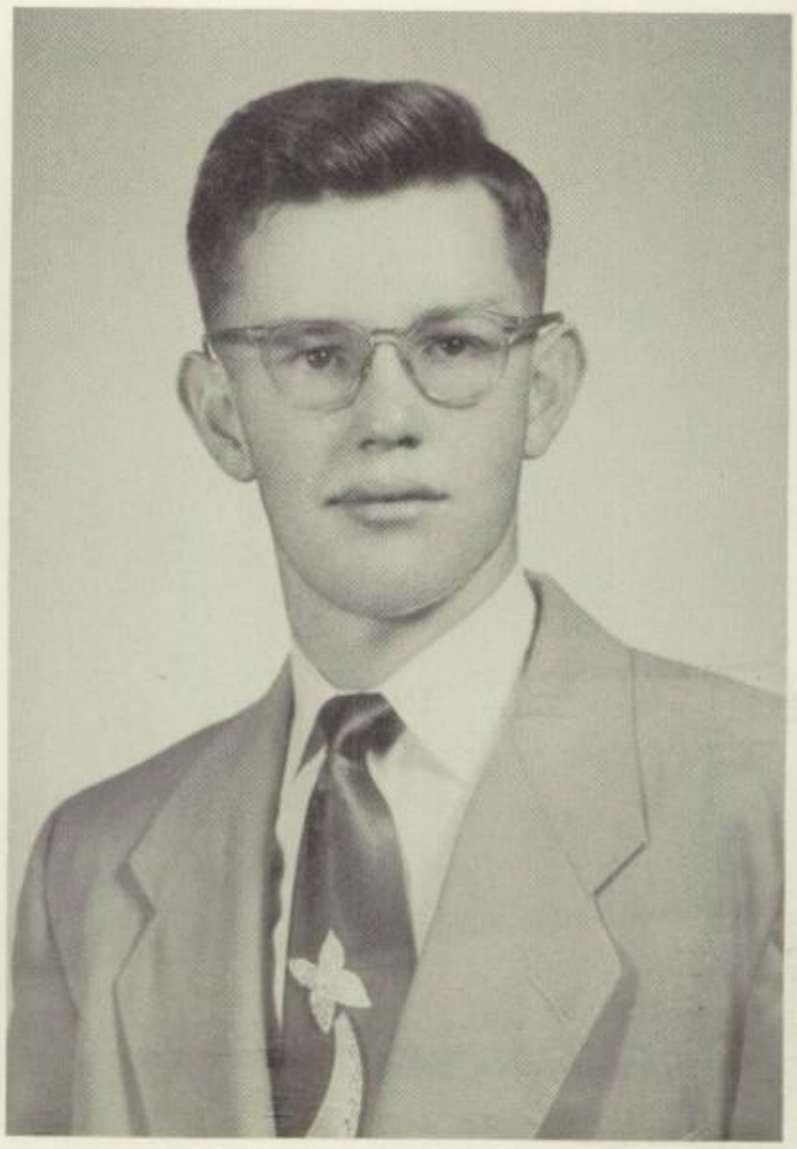
GEORGE LEWIS MURRAY

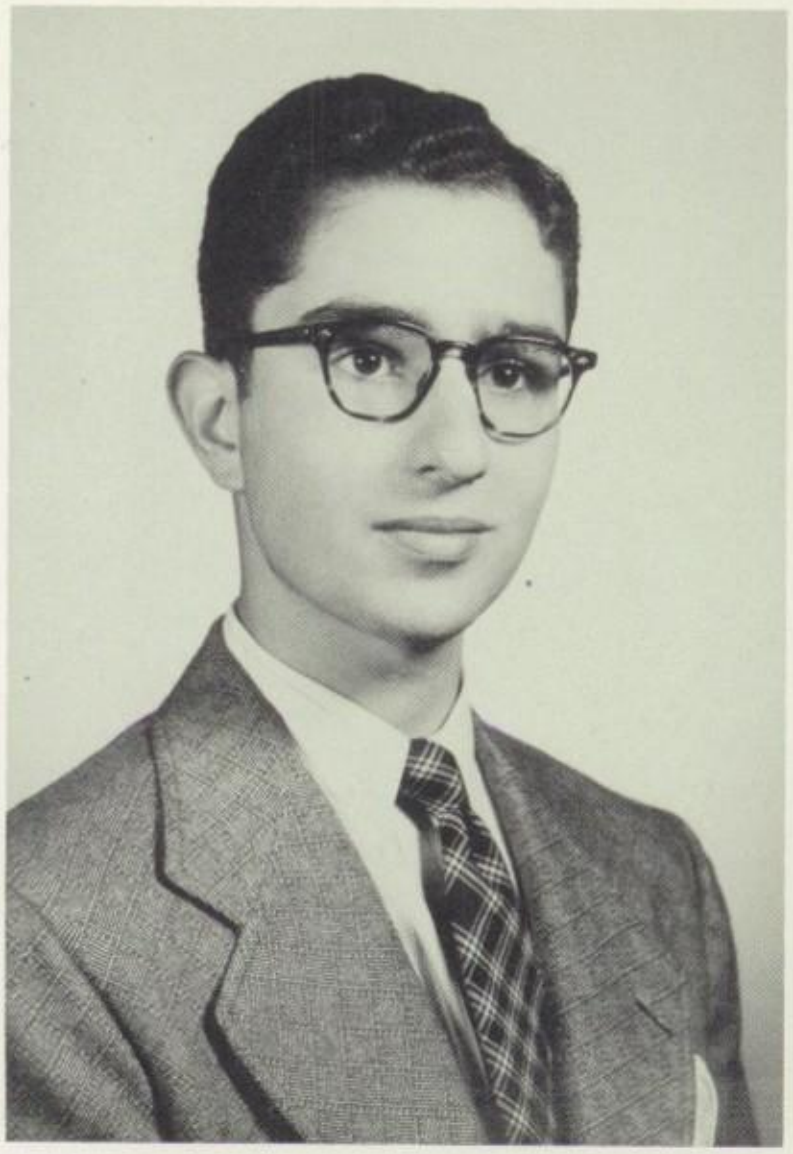
"Casper"

Dramatics Club 6; Tract Club 6; Glee Club 6; Choir 6.

APPEARANCE: Chaos
LIKES: Study Hall privileges
DISLIKES: Room inspection
AMBITION: To pass Chemistry
PASTIME: Clever comebacks
FAVORITE EXPRESSION: "Stay cool, fella!"

From Beantown came this amicable fellow, the possessor of a ready wit, who is frequently referred to as "Casper." Although he claims that he studies, he finds sleeping and writing letters to his "flame" back home much more appealing. He is an enthusiastic participant in many extra-curricular activities, which include the Dramatics and Tract Clubs. Because of his sharp sense of humor, gales of laughter often resound from his room much to the disturbance of neighboring scholars.





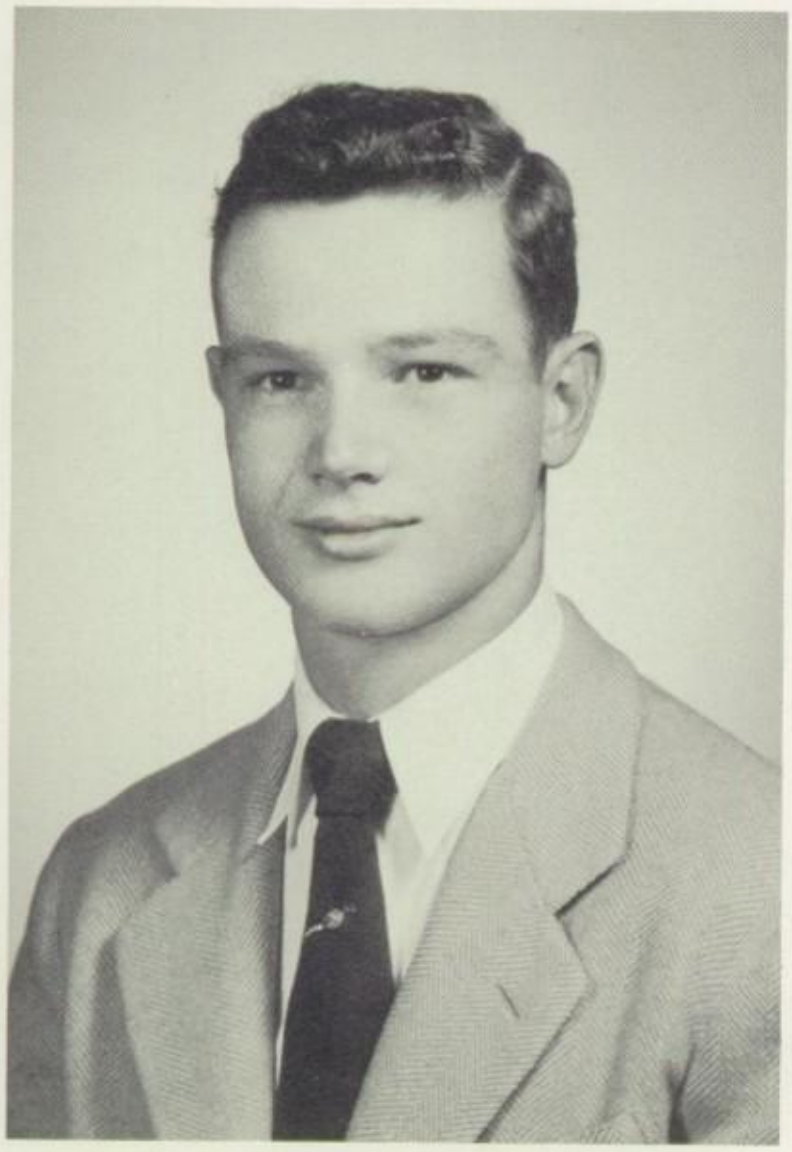
ROBERT J. NOTAR

"Bob"

J.V. Football Manager 5; Golf Club 5,6; History Club 5; Tract Club 6; Christian Association 5,6.

APPEARANCE: Barber
LIKES: Opera
DISLIKES: Hot spooks
PASTIME: Haircuts and shaves
AMBITION: College
FAVORITE EXPRESSION: "What are you, crazy or what?"

One of the first things you notice about Bob is his quiet manner and fine Christian testimony. As a member of the deputation team and Christian Association, Bob's standards are known throughout the school. Bob is an ardent golfer who gives stiff competition to all opponents. He participates in various extra-curricular activities and willingly lends his vocal talents to this year's much inspired choir.



CHARLES S. OSBORNE

"Chick"

Midget Football 1,2; J.V. Football 3; Varsity Football 4,5,6; Midget Basketball 1,2; Wrestling 3; J.V. Basketball 5; Midget Baseball 1,2; Track 3,4,5,6; Stamp Club 1,2; Rifle Club 1,2; Art Class 4; Audio Visual Club 4,5,6; Photography Club 6.

APPEARANCE: Socialist
LIKES: To work on his radio
DISLIKES: Homework
AMBITION: Radio engineer
PASTIME: Exaggeration
FAVORITE EXPRESSION: "I can't see it!"

Chick, the red-headed flash from near-by Smithtown, is a very popular man around campus, especially when a senior party has been planned. His enchanting ways with the women help to get many dates for some of the less fortunate seniors. He is one of our outstanding sprinters this year, and therefore will be a definite asset to the track team. His enjoyment for tinkering with the radio and television sets has furnished him with much finesse along this line.

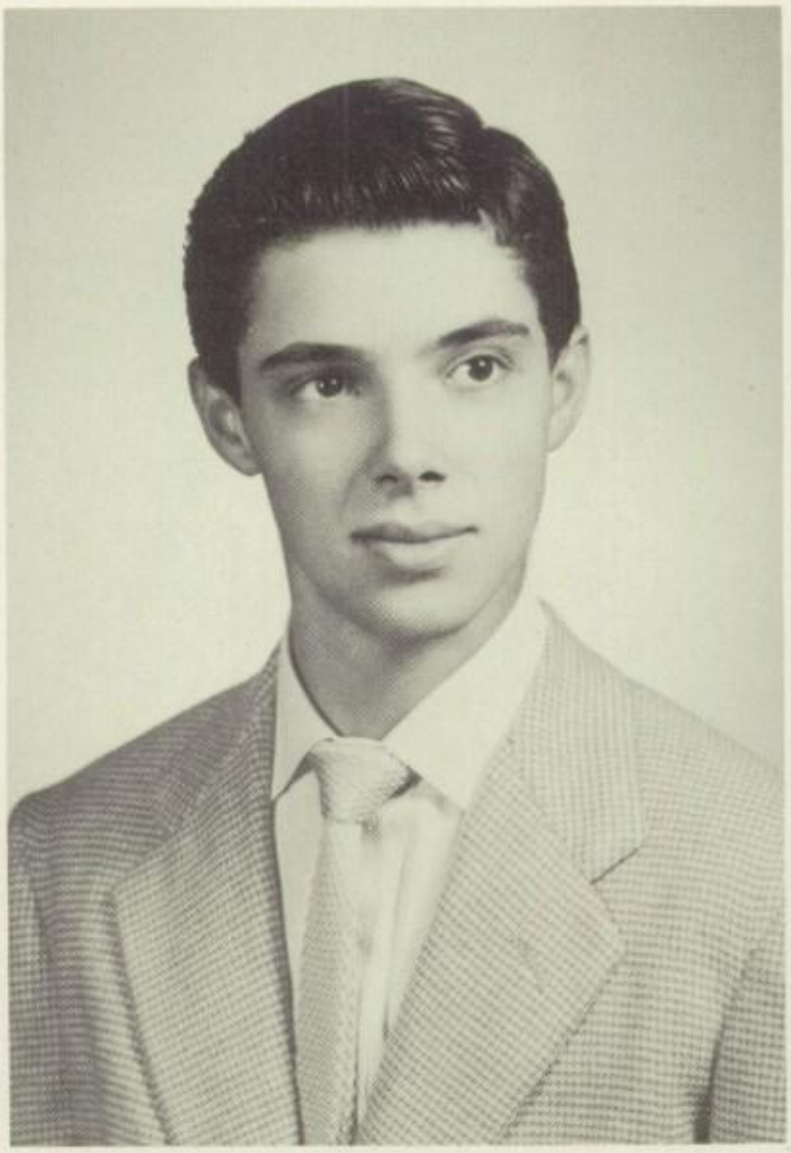
JAMES DAVID OSUNA

"Slim"

Cross Country 3,4,5,6; Freshman Basketball; J.V. Basketball 5,6; Varsity Basketball 5; Tennis 3; Track 4, 5,6; Rifle Club 3,4,6; Model Airplane Club 3,4; President, Student Organization 6; RES GESTAE 6; Executive Committee 5,6; Advisory Committee 6.

APPEARANCE: Bambi
LIKES: Lorraine
DISLIKES: Any mental strain
PASTIME: Writing to Fredonia
AMBITION: Two minute 880
FAVORITE EXPRESSION: "You simple gook!"

From the city of politicians (no offense to you, Jim) came the Ivy League's top cross country runner. For the past two years he has won the Ivy League Championship in Van Cortlandt Park to lead his team to victory. His talents are not limited to running, however, as he is found a regular honor-roll member and may be found during study halls in his cubicle delving into the great American pastime, reading comic books. "Slim" is also the president of the Student Organization and an outstanding member of the track squad.



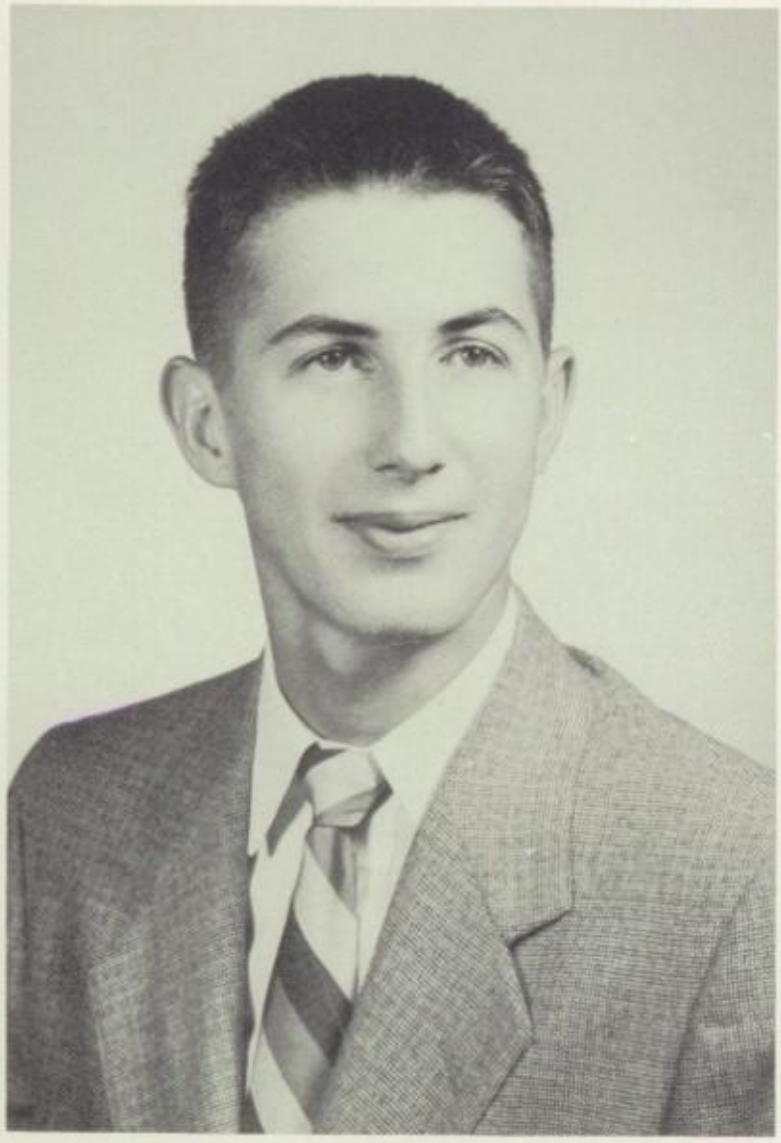
J. ALAN PATTERSON

"Al"

Varsity Football 6; Varsity Basketball 6; Varsity Baseball 6; Tract Club 6; Audio Visual Club 6; Christian Association 6; Advisory Committee 6.

APPEARANCE: Arab
LIKES: Street corner jazz concerts
DISLIKES: Sprinhorn's wrestling tactics
PASTIME: Blowing bubbles
AMBITION: Second "Satchmo"
FAVORITE EXPRESSION: "This is for the birds!"

Al commenced his first year at Stony Brook by engaging in a number of the school's activities. Since he participated in Christian work in his home town of Collingswood, New Jersey, he immediately became a valuable member of the Deputation Team and Tract Club. In the athletic realm, he was an asset to each squad on which he played because of his lofty frame and fighting spirit. He is also musically inclined, and he generously donated his talents to this year's outstanding trumpet trio.



HAROLD B. PATTISON

"Bert"

J.V. Football 4; Varsity Basketball 4,5,6; Varsity Baseball 5; J.V. Baseball 5; Track 5,6; Cross Country 5,6; Blue and White 5; RES GESTAE 6.

APPEARANCE: Jerry Lewis
LIKES: Billiards
DISLIKES: Progressive jazz
PASTIME: Harvesting letters
AMBITION: Dash records
FAVORITE EXPRESSION: "He's out of it completely!"

Pat is another student who resides in New Jersey. Since he and Woodel became roommates in their sophomore year, they have caused many a calamity in the dorm and many laughs in the classroom. Pat's sparkling ability as a basketball player has enabled him to be a varsity member for three years. Since he did so well in the pentathlon and has improved so much in cross country, he will this year be one of the class' top athletes.

PETER C. PAY

"Pete"

Varsity Football 6; Varsity Basketball 6; Varsity Baseball 6; Glee Club 6.

APPEARANCE: Motorcycle cop
LIKES: Oversized clothes
DISLIKES: Blind dates
PASTIME: Blushing
AMBITION: To get to college
FAVORITE EXPRESSION: "C'mon you coordo!"

Pete, who came to Stony Brook from the distant metropolis of Cleveland, immediately made a circle of friends, but the unusual thing was that this circle enveloped the entire student body from the smallest first former to his senior classmates. His drive and ability in football carried over into basketball and baseball, where he also starred. Although he managed steadily to maintain honor roll average, he could invariably be found in the midst of a group of pranksters seeking new fields of conquest.

KENNETH C. POINSETT

"Ken"

Midget Football 3; J.V. Football 4,5; Varsity Football 6; Midget Basketball 3; J.V. Basketball 5; Wrestling 6; Choir 3; Tract Club 4; Audio Visual Club 6.

APPEARANCE: Carnival barker
LIKES: The fair sex
DISLIKES: Studying
PASTIME: Algebra II
AMBITION: Stony Brook diploma
FAVORITE EXPRESSION: "This kid's gotta go!"

Ken is an old hand around the school, this being his fifth year. He is popular not only throughout the school itself, but also with many of the bonnie lasses outside the school's gates. As he really shines with the women, you can rest assured that whenever the phone rings in the dorm, it's for Ken. He avidly participates in football, wrestling, and baseball; the latter being his favorite sport. His spare time is usually consumed by attentively listening to Dixieland jazz.

FAVORITE EXPRESSION: "Whoop whoop!"

Last year Al came here for his senior year, and he took such a liking to the place that he decided to return and take a post-graduate course. Besides being a vital member of the Christian Association, he has made a name for himself on the athletic field. Playing tailback in football, he is a member of the Stony Brook Touchdown Club, and in the bleak days of winter he is our heavyweight grappler. His athletic prowess continues into spring when he eagerly throws his weight around in track.

FAVORITE EXPRESSION: "You know it!"

Some people are known by the company they keep, but I think it's safe to say that this boy's known by the noise he makes. This usually includes an argument on fishing, on which "Big Ax" is somewhat an expert. His love for this pastime and his genuine interest for sitting for hours with a pole in his hand while pulling up old shoes, tires, and leaky buckets is something to behold and admire. Our sincere hope is that if there's a whale in the Potomac, he will hook him.

FAVORITE EXPRESSION: "Hey, Pay!"

From the rolling hills of the Pennsylvania Dutchland comes our muscular friend, John Slonaker. Muscular applies not only to his ability for playing on our football team where he was a defensive standout, but also to tossing the shotput during the track season. Since he enjoys passing his spare time in the kitchen as a deputy chef, his room is usually stocked with kitchen goodies, much to the delight of the students residing in Hegeman Hall.

FAVORITE EXPRESSION: "I try to be good!"

Butch, the probable heir to the school laundry, resided a short distance from the school, so on weekends he usually invited several seniors to his home. Because of his convertible and connections, he was a great asset when it came time to arrange senior parties. On campus he was a varsity wrestler and a budding scholar in the classroom. All in all, Butch was generally liked and sought for, especially on Thursdays.

AMBITION: Chemistry prize
FAVORITE EXPRESSION: "Where is that picture?"

Herb, more commonly known as "Moose," comes from one of our rival towns, Huntington. During our athletic engagements with Huntington, he is at a loss as to which team to root for. When it comes to aptitude, though, there is no confusion, as he constantly ranks high in the class. Moose can be found in most bull sessions, and his quips and timely words of wisdom add flavor to the conversations. Herb is also valuable to the class as a source of home-made goodies.

Chuck, who's doing post-graduate work this year, is an ardent fan of the 25c pocket novel. Having completed a day's routine, his favorite position is lying sprawled across his bed greedily absorbing the adventures of some two-gunned hombre. During the football season, his clever quarterbacking strengthened the team; throughout the winter his ability as a grappler added valuable points to our score; and in track he ran the 440, which helped to round out a good year.

Dick, formerly of Flushing, N. Y., and presently representing Wheaton, Illinois, has been an asset to the Christian facilities around Stony Brook since he arrived. By being an active member of the Tract Club, deputation teams, and other Christian activities, he has assisted in strengthening the school spiritually. When a theological discussion took place, he was sure to be present, expressing his sound viewpoints. Dick's sincerity was combined with his casualness to make him a true friend.

The son of a Chinese missionary, Sam came back to Stony Brook in his junior year after being away for two years. Possessing a wonderful sense of humor and a contagious laugh, Sam's experiences in China during the Communist invasion have not embittered him; but rather, have filled him with an earnest desire to return to China some day as an engineer.

From that glorious burg of Flushing, located in the heart of Long Island, came one who has been recognized as an easy-going guy. Besides the third Wardell brother successfully to become an alumnus of Stony Brook, Russ has ably continued the family tradition by being a swell fellow. We'll all remember his sarcastic wit, which livened up a number of discussions. After earning his wrestling letter in his junior year, Russ became one of the mainstays in that sport as a senior.

He has played varsity football for the past three years and added his skill to the track aggregation as he participated in the shot-put and relay.

Varsity Football

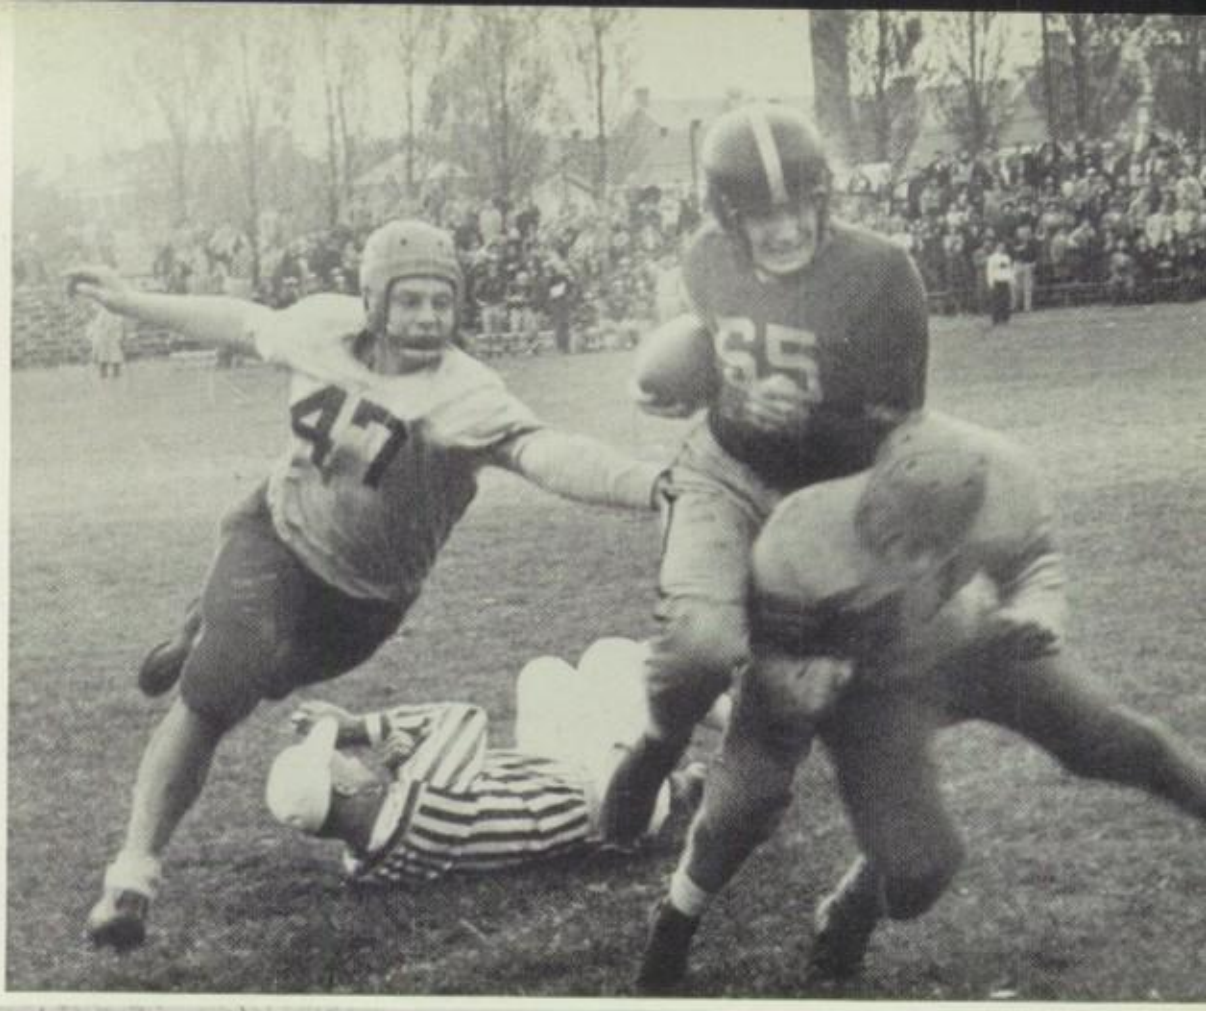
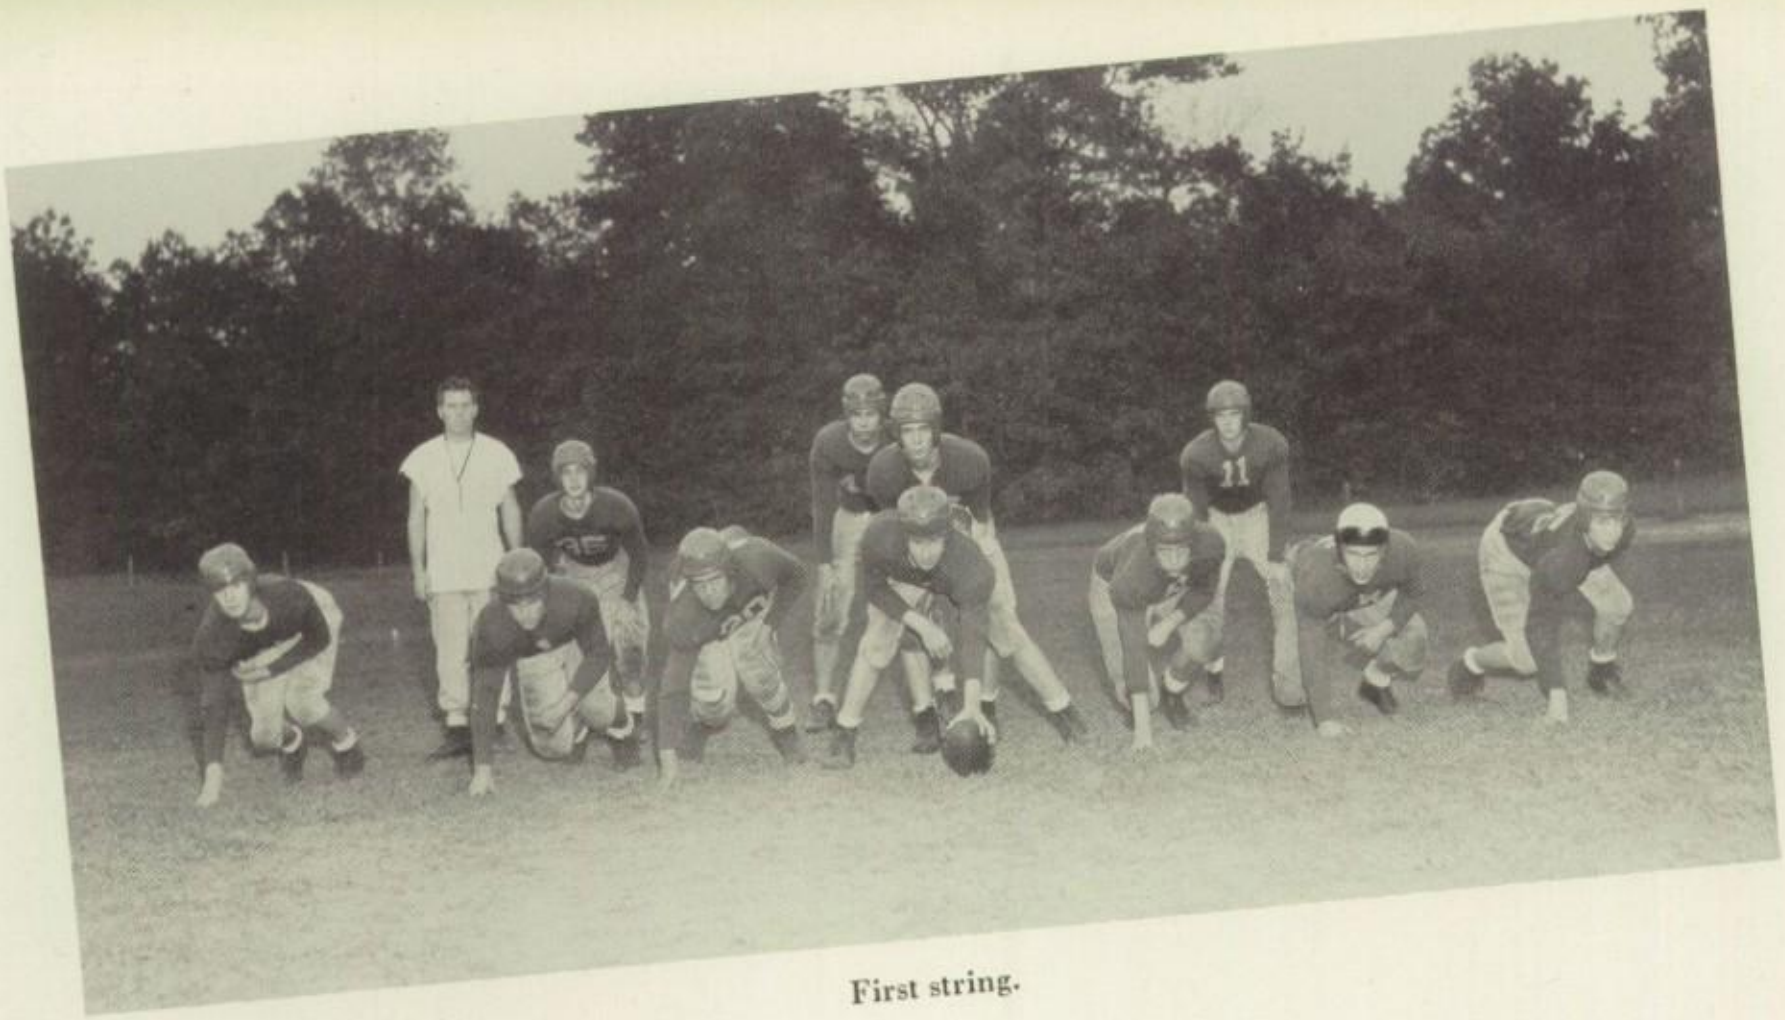
Outlook for the '52 football season was good. Showing up at early practice were a good part of last year's lineup and a good lot of promising players. Our first game with a new rival, Concordia Prep, was an inspiration as we came from behind to win. Our second game of the year with Poly Prep probably could be considered our best battle of the year even though it was the only one in which we did not score. Our homecoming game with Horace Mann was certainly a big disappointment. In our next game the team played a hard game against one little Adelphi man who kicked our bucket for four tallies. Our own little Bary Vaughn made his debut as one of the team stars among such names as Len Woodel, Alan Provan, Capt. John Crock, and Peter Pay. After our loss to St. Paul's, we conquered our Northport rivals on our home field. In a final attempt to break Riverdale's undefeated record, we put all we had into a well played and muddy duel, but failed. Our tussle with Trinity was an invitation contest for the cellar position of the Ivy League. Trinity gave in and let us have it.





First string.

Cross Country

When the senior class of '52 graduated, it took with it last season's 2nd and 3rd men from this year's line-up. Those are important positions, and the loss was felt when we lost our first three meets because of them to Poly, Riverhead, and South Hampton respectively. Coach Goldberg worked hard with Carlson and Wang to bring them up to fill these positions. To keep our tradition of having a better than average cross country team, we had to win without fail our remaining meets. The tide changed with a victory over Westbury. Two more meets with Horace Mann and La Salle went our way with a perfect score against La Salle. With Carlson and Wang coming in with those 2nd and 3rd places, the team was very hopeful for taking the Ivy League meet that followed and at the same time seeking revenge on Poly Prep. The team brought home the bacon! Our last meet of the season was with Trinity. Jim Osuna, the Ivy League champ for two straight years who has first place in all meets this year but two where he came in second, broke our on course record by 17 seconds. A great high school finish for a great star with a great team.

BASKETBALL

A rangy group of veteran ballplayers, clad in flashy navy blue uniforms, represented Stony Brook well throughout the 1952-53 basketball season.

By the time the school was dismissed for the Christmas holidays, the team boasted a 3-1 record, the sole loss coming at the hands of La Salle in overtime. We gained sweet revenge, though, in the return game with the military academy when we were the victors by a mere point.

It would be difficult to single out the highlight of the season; for there were a number of thrills such as those supplied by the second La Salle game, Bert Pattison's 31 points in the Northport contest, and our team high of 78 points when we met Friend's

The team has constantly given the fans an exciting game to watch, win or lose. Above all, they have upheld the Stony Brook tradition and we are proud of them.

Nice follow through Dave!

WRESTLING

This year's wrestling team has done very well under Coach Coombs, although handicapped by sicknesses and injuries and the inability to use our two post-graduates wrestlers against high schools. Since most of the team will be returning next year the prospects are excellent. The team spirit has been good even when it has involved considerable self-denial. This is the first year that there has been an Ivy League in wrestling, and we fought hard only to lose the championship in our final match to Trinity.

Blue and White

The school newspaper, the Blue and White, with Bill Strong the editor, and Mr. Barton, the faculty advisor, has had to organize an entire new staff of reporters and others to take care of the necessary functions of a newspaper. The paper has shown an improvement after a slow start this year, and their goal has been to put out at least one printing every two weeks. Much credit must be given for the splendid cooperation of the staff which is a "must" in the field of journalism.

Audio-Visual Club

The electrical equipment of the campus—tape recorders, slide projectors, and movie projectors—is run by the Audio-Visual Club, which has sponsored the educational films shown now and then in the gym after supper, has set up loudspeakers at our football games, and has run reels of a religious nature for the Sunday evening chapel services. Among themselves the members repair radios in the physics lab, learn something of electronics, and tinker with appliances such as field telephones or voice oscillators.

The Glee Club is directed this year under the able leadership of Mr. Bisgrove. Mr. Bisgrove has had singing experiences in the Houghton Oratorio Society, The Houghton Chapel Choir, and the Manlius (N. Y.) Civic Glee Club, and has had directing experience in several church choirs.

Performances ranging from "Jesu, Joy of Man's Desiring," "Low, how a Rose e'er Blooming" and "Let us all give thanks to Thee," to "The March of the Men of Harleck," "The joy of the Hunter," "The Two Grenadiers," and "Blow the Man Down," are to be given.

"This adjusts the speed"

The Photography Club

The Photography Club was reorganized last year after a period of several years of non-existence. It now has a new darkroom with a fine constitution and good organization. Mr. Harto and Mr. Rosenberger, the faculty advisors, worked hard in the organization and developing of the club and making the darkroom.

Kneeling: Kernochan, Wang. Standing: Moy, Provan, Knecht, Hill, Esser, Walker, Hsu, Springhorn, Simon, Ellis, Moore, Mr. Rosenberger, Carter, Mr. Harto, Morrow R., O'Rourke, Percy, Gale.

The Stamp Club

The Stamp Club is for stamp collectors who want to have some free time each week to work with their stamps. The boys are encouraged to join by getting five free stamps each week.

Miss Strong from Setauket is in charge of the club, and every time it meets she brings things of interest to stamp collectors and the boys to discuss during the meeting. Any of the boys who have any stamps to mount in their albums may do so while the meeting is in progress.

Alverzo, Hill, Cooper A., Towle, Miss Strong, Ferns, Friedrich, Entenmann, Goodman, Esser.

Seated: Notar. Standing: Garitano, Herz, McNamara, Mr. Rosenberg, Ferns.

The History Club

Started last year because the boys felt a need to know more about their own state, this club has had many enjoyable trips to historic points of interest on Long Island. Among the day long trips taken this year have been one to the Whaling Museum at Sag Harbor and to Historic Montauk Point. The club's small membership has actually proved an asset to them, since they were able to use faculty cars for travel.

Kneeling: Standen, Gay, Martin, Barnett, Adare, Bammann, Winkelman, Garitano, Jones.
Standing: Cooper N., Dow, Gale, Barton, Mooney J., DuPree, Cobb, Zumft, Lee K., Woodel, Caron, Mr. Curtis, Evans, Venable, Osuna, Clary, Dawson, Morrow C.

"Don't slice, men."

Biology Club

The Biology Club is under the direction of Mr. Barton. The club has been split up into two sections so as to enable the members to do what they want to more easily. The "A" section is mainly interested in the outdoor phase of Biology. While the "B" section is mainly interested in the Laboratory field of Biology. The purpose of this club is to learn more in that vast and interesting field of Biology.

"Rhodents"

Standing: Simon, Slonaker, Ellis J., Mr. Barton. Seated: Johnson, Friedrich, Psota, Entenmann, Adare, DuPree, Reaves, Soerhide, Bailey, Mooney J.

SEPTEMBER

3 Campus wheels roll back into action. "Turtle" crawls on campus.

4 Wheels are nothing but small spokes . . . bent and rusted.

12 Guess what—new boys arrive and Lee's got a brother. Seventh grade teacher is finally noticed by the "boys." Woodel figures he lacks some credits and has to go back to repeat the seventh.

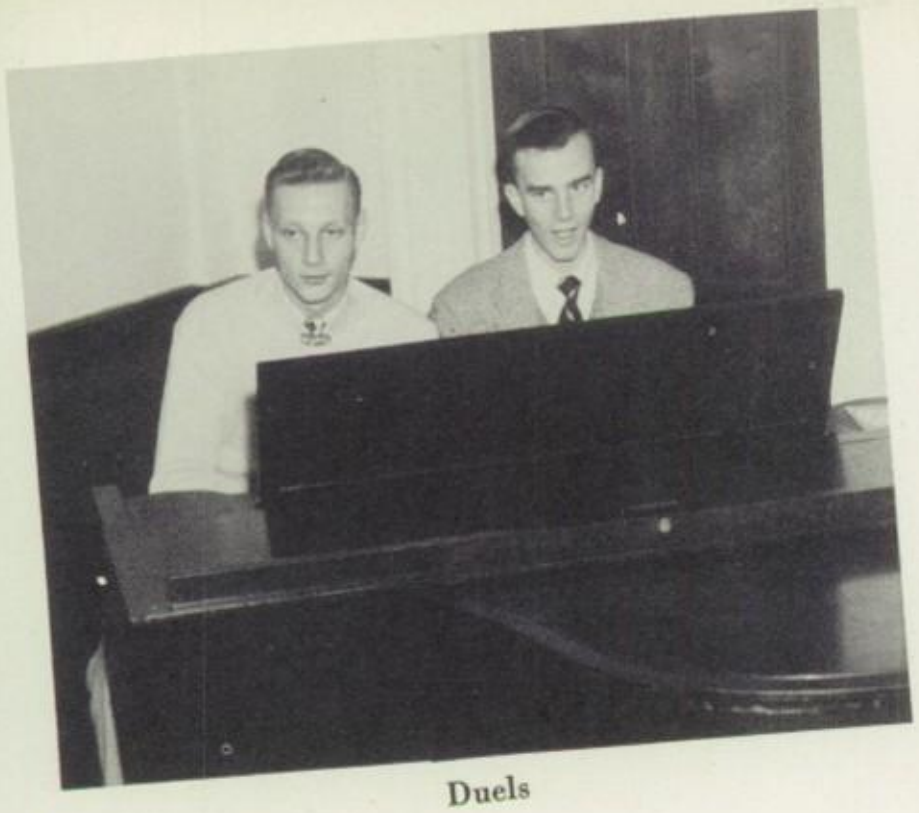
13 Woodel is still a senior much to his dismay.

14 Joe is getting sore from practice. And how he scratched his beak! First chapel speaker—future Senior Bible teacher—oh, what he has in store for him!

15 Mr. Bisgrove says once out, it's for good in history. Lee, Osborne, and Pattison decide to settle down. Pep rally after dinner—one in Lee's room after wrestlers' act—Mr. Gould M.C.'s.

16 Bear attacks U.S. class and was found to have a "cough." Mr. Rosenberger removing Woodel; so he wouldn't catch a cold, of course.

17 In 15 minute period, Springhorn claims he can lift 200 lbs. We don't doubt the



Duels

GRIND

200, but what is it "Match Sticks"?

18 Moans and groans over new late slip system. Shall we try for 3000 this year, boys?

19 Keen decides lunch wasn't up to par, so is excused involuntarily.

20 One week of school finished, only 30 more!

21 New Seniors all sleepin' and enjoy new found privilege.

22 All guys on third floor—"Don't mess with Hoppy!"

23 "What's a 'Hot Spook'?", inquires Mr. Gould. Murray laughs and says it's scary. Lee thinks George has got to go!

28 One bun a piece! Oh well, don't complain until you only get the raisins.

30 Happy Birthday, Al; watch out for Uncle Sam.

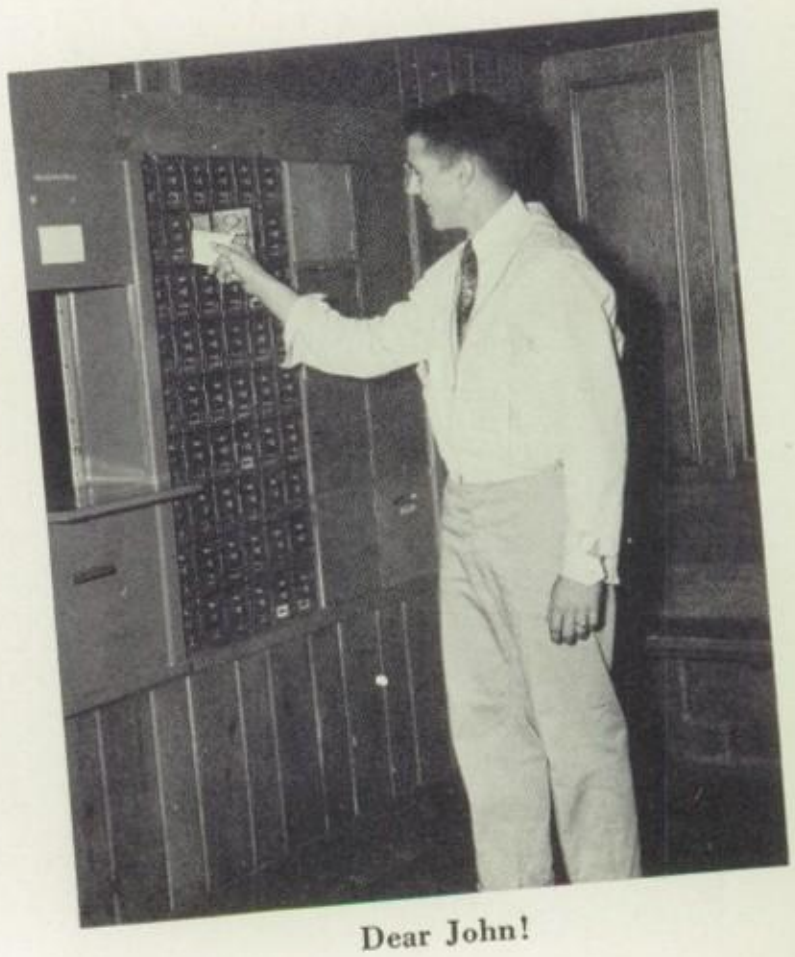
OCTOBER

1 Carter is reckoned with by Mr. Davis in English. Please, Joe, *one* guy should pass the course.

2 Everyone gets back laundry. Springhorn claims he only gets back buttons without shirts. Better switch to Pioneer, Butch!

3 Everyone primed. Let's beat Concordia!

What a slaughter



Dear John!

10:32

10:33

10:35

4 Concordia beaten 14-12. Everyone gunning for Poly Prep.

5 Sleep . . . Sleep . . . Sleep.

10 Day off for varsity teams. Beat Poly tomorrow!

11 Brookers lose two tough ones, both in C.C. and football . . . great meal though, thanks to Poly!

15 C.C. loses to Riverhead 20-35! Just can't seem to beat those boys. Port Jeff gets another lesson on how to play football.

16 Keen sends pilot on mission across S.H. Three pointer right in waste basket—nice flying, Girv, did it have dualism on it? Mr. Moss acts as enemy trying to prevent flight across room.

17 Osuna and Carter get haircuts. Jim for his girl, Joe to become a bald eagle.

18 Football loses to Horace Mann by 7 points. Should have beaten them; but lets gun for Adelphi.

19 Mangiameli and cronies invade village. "Watch out, Lee, my father's big!"

20 Slonaker relates tale of Wichita, Kansas, in economics. Gee, I wish I were a meat packer like my Uncle George!

21 Wichita sends Slonaker a letter, thanking him for thinking of them in the Sunflower State. By the way, John, what's your favorite flower?

23 Mr. Goldberg shows chem class the reaction of Na and H_2O—Pretty dangerous stuff. Moose wants to know where you can buy some of da stuff. "Just knock it down off the trees with your cutlass, Herbie ole boy."

24 Woodel and history again part company.

25 G - I - R - L - S and Adelphi invade campus to meet Brookers on gridiron. Adelphi 26-14 over Big Blue.

NOVEMBER

1 We've finally located another "Mole" in the person of Reaves—oh no, not another chubby bunny!

7 Football team rests up for the Northport game—also C.C. team for Ivy League.

8 Double victory for S.B.S. Football team turns tide against Northport sparked by Vaughn's touchdown jaunt—while Goldberg's harriers clinch the Ivy League crown by Osuna and Carlson's keeping the fire going with a first and second. Congratulations, both teams! Pattison makes announcement concerning the billiard team. He gets 2 bucks for 4 hours —pretty cheap labor!

18 Only one more C.C. race left, also the football team—both with Trinity the 22nd.

22 Rain calls off game and race with Trinity —anyone for chess?

24 C.C. Team down Tritity team, but the gridiron boys don't make out so well—drop a close one.

25 Everyone excited over coming Thanksgiving vacation.

30 Vacation over and the "boys" return loaded with turkey!

DECEMBER

1 Basketball team has first practice—only six days to get ready for aged alumni.

2 Wrestling team practices and Coach Coombs looks to a fairly promising year in the Ivy League. Good luck!

6 The Old Men are beaten easily as the varsity looks pretty good. Spencer stays overnight—he sleeps in the eagle's nest. Gee, Spence, we hope you didn't find many feathers.

8 Carter named first-string Ivy League

guard and first team all Long Island—nice going, Jooo-e-e-e!

12 Only six more days before Christmas vacation—for the good boys, that is. Woodel figures on going home the 19th.

17 Riverdale comes to play S.B.S. hoopsters and gets licked by 23 point sas first '5' tickle the twines for a win.

18 Majority go home, even Woodel.

19 Bad men leave for home, sweet home!

20 Miscellaneous members of the student body depart for home—I guess those 20 units weren't so good after all!

JANUARY

4 Basketballers return early from the vacation (to start practice)—"Did you guys keep in shape?", Coach Fenton asks. Woodel laughs heartily! J. Lee says he can't get any slower, anyway.

6 Students return from the looong vacation and find out it's really hard to get up in the a.m.

10 Brooks bow to Poly for first Ivy League defeat. Better luck next game, guys!

12 Laboring under the impression that he was on the ranking ten. King decides vacation is over and comes back for exams.

13 Courtmen lose to Adelphi—not many G - I - R - L - S come to this game—too bad!

16 Wrestlers really rack up a victory against Horace Mann to put themselves in first place in the Ivy League.

18 Milligan and Camp are caught with high explosives. Mr. Goldberg is going to report them to the warden and cancel their parole—see you guys in S.H.

23 S.B.S. wins two games as varsity hits 76 points against Friends.

24 Big weekend before exams—where were you, Crock!

25 Exams start and the "boys" find out how much they don't know.

29 Seniors finish up tests with a dilly of a Bible paper. Average time: 1 hour 30 minutes . . . Davy was waiting to play basketball!

FEBRUARY

2 Students are back and ready to start a new semester. Carter and Wardell aren't around—maybe "Joe" took off on a trans-Atlantic flight?!

3 Everyone notices King came back on time—how did you ever do it, Paul?! Smithtown loses to the Brookers as Blue wins 55-52.

4 Brookers' matmen entertain Friends and win 40-6. Well, whad'ya gonna' do?

6 Senior poll out! Slonaker and Osborne chosen—Woodel, Lee, and Pattison also unanimous selections! Tagart comes back from exam weekend—guess he crammed too much.

7 Basketball team beats Trinity in a double victory. Grapplers knock off Hackley.

14 Poly loses an Ivy League match with S.B.S. matmen.

17 Hoopsters squeak a win out of La Salle Military Academy—48-47.

19 Pillows taken from Lee and Milligan's room after lights. Mr. Gould warns "boys" about fire drill. Bring on your F. B. I.!

21 Wrestlers win—but Big Blue courtmen can't stop Judson of Poly as they are beaten by 23 points.

22 The Daily Grind is on its way out, because the *Res Gestae* is being sent to meet the deadline so . . . Good luck to everyone in everything!

Did he make it?

THE GENERAL SPEAKS

A half-million copies of this tract, 50,000 in Korean, by Lieut.-Gen. William K. Harrison, an old friend of Stony Brook School, have been distributed. Here is an excerpt from the General's testimony:

"It is wonderful to be a believer in the Lord Jesus Christ and I am exceedingly thankful that God has graciously led me to saving faith in Christ. In the Bible, the Word of God, the Lord has promised that anyone who believes in His only begotten Son, the Lord Jesus Christ, has been forgiven his sin and its consequences, has been given eternal life and has entered forever into the Kingdom of God."

RECIPE

THOMAS' "MUFFIN-BURGERS"... quick...and just marvelous!

HERE IS ALL YOU DO! Broil or pan-fry your hamburgers. Pull apart enough *Thomas'* English Muffins to go around. (*Two halves for each*). Toast to a light brown. Spread immediately with butter. (*For special flavor, cream butter first with garlic salt or a little mustard*). Top half the muffins with hamburgers and onion rings. Cover with remaining muffins. Or serve with an assortment of relishes, and let each person choose his own. *Are they good? Just watch them disappear!*

ONE THING MORE AND IMPORTANT: Be sure to ask for *Thomas' English Muffins*. Baked from a recipe generations old, they have that real old-time flavor. No others *ever* seem so good!
